Cookie Notice

KYCJet — pursuant to Article 122 of the Italian Privacy Code and the Italian Data Protection Authority's Guidelines of 10 June 2021. Version of 21 September 2026.

We only use technical cookies

The KYCJet website and dashboard only use the cookies needed to make them work. We use no profiling, advertising or analytics cookies, and no third-party tools that set them. That is why we do not ask for consent and show no banner: the law does not require it for technical cookies.

Cookie	Purpose	Duration	Set by
`better-auth.session_token`	Keeps you signed in to the dashboard	7 days	KYCJet
`kyc_livemode`	Remembers whether you are viewing test mode or live mode	12 months	KYCJet
`kyc_lang`	Remembers the language you chose (Italian, English or French)	12 months	KYCJet

Fonts are served from our own servers: opening the website does not contact external services.

The verification page

The page opened from a verification link only sets `kyc_lang`, to show itself in your device's language: the case is recognised by the code contained in the link.

Managing cookies

You can delete cookies from your browser settings. Without `better-auth.session_token` you cannot stay signed in to the dashboard; without `kyc_livemode` the dashboard reverts to live mode each time.

Controller

GREM S.R.L. — Via Matteo La Fragola 4, 84135 Salerno (SA), Italy — info@gremcompany.com. For all other processing, see the Privacy Notice.
